

Deluxe Plus

DeWitt Deluxe Plus is a 1oz, white spunbonded, 100% polypropylene fabric, used primarily as a plant protection fabric. DeWitt DeluxePlus is formulated to resist uv degradation, and allows air, water, and nutrients to pass through the fabric.

<u>Properties</u>	<u>Units</u>	<u>Target</u>	<u>Max</u>	<u>Min</u>
Basis Weight	Oz/ SY	1.00	1.13	.87
MD Grab Tensile	LBS/IN	21	32	10
