AVAILABLE FOR IMMEDIATE RELEASE

# DeWitt Weed-Barrier<sup>®</sup> pro

PROFESSIONAL GRADE  
LANDSCAPE FABRIC

Say goodbye to back breaking weed pulling and string trimming...

DeWitt Weed-Barrier Pro conserves moisture, blocks weeds, is easy to cut and install, and comes in three colors - black, white and brown. Multiple-layer technology provides the ultimate in light blockage and water permeability.

This fabric is light years ahead of the competition because it requires no chemical pre-treating of the planting area and is guaranteed by the DeWitt Company to be 100% weed free. In addition, DeWitt Weed Barrier Pro is professional grade, easy to cut and install, and saves on watering by helping to conserve the soil's moisture. And not only does DeWitt Weed Barrier Pro cost less than other less durable products, but there is a color to suit any landscape application.

Perfect for both professionals and homeowners, new DeWitt Weed Barrier Pro is available at quality Landscaping and Nursery Retailers. For more information, contact the DeWitt Company at 1-800-888-9669.
