shade cloth

Armed with one of the largest custom sewing facilities in the country, DeWitt shade cloth and shade cloth products are designed to provide high quality sun and screen protection in a variety of strengths for various applications. DeWitt can customize any size or order.

Down to earth protection. Down to earth results.

SHADECLOTH

Knitted Shade Cloth

DeWitt's Knitted Shade is made from 100% UV stabilized polyethylene. Its unique lock stitch construction allows customers the ability to cut the fabric with scissors without further unraveling. Knitted Shade is available in a variety of colors, stripes and shade densities.

- UV-Treated • Lightweight
- Won't Unravel when Cut
- Buy Bulk Rolls for Racks
- Zip Ties can be used

Woven Shade Cloth

DeWitt's Woven Shade is made from 100% polypropylene monofilament strands. It is UV stabilized to hold up under the most extreme solar conditions. Woven Shade can be used for a variety of applications: wind and privacy screen, shading for sports and recreation, livestock, patio, dog kennels and solar protection for plants.

- UV-Treated • Heavy & Strong
- 100% Polypropylene Material
- Stock Tarps Available

custom

Due to the high seasonal demand of this product, DeWitt has finished stock panels in many sizes and percentages. These are available for immediate shipment. The professionals on DeWitt's sewing production team can customize panels to any percentage of shade. We use #4 brass grommets and 2 3/4" reinforcement tape. The taped edges are double stitched for extra holding power. Please call for custom quotes and lead times.

At DeWitt — We can Customize any size or order of Knitted or Woven Shade Cloth

SPECIAL ORDERING OPTIONS & SEWING CUSTOMIZATION

*Note: Where tarp size requires material to be cut down, pricing must be calculated from standard width of product.

For each order of 5 or more identically sized tarps, the one time set up charge will be pro-rated over the total number of tarps. Orders of less than 5 identically sized tarps, the set up charge will apply to each tarp.

Sudden Shade — Kit includes Clip-Its and rope for installation

DeWitt's Sudden Shade is made from 100% UV-stabilized polyethylene. Its unique lock-stitch construction allows customers the ability to cut the fabric with scissors without further unraveling. Sudden Shade is pre-cut at 6' x 12' and 12' x 12', which greatly reduces delivery times. Available in green and black.
